# Calista

Calista is a young woman of rare beauty and was named after a queen in the mythology. Growing so proud of her beauty, she dares risking all she has in order to make this beauty eternal. Eventually, she achieves what she craves for and possesses a beauty that even the Goddesses envy. Combining her mesmerizing looks with the beauty of her soul, she dedicates herself in fulfilling good deeds. Soon after, her soul becomes so pure and heavenly that it just is impossible for her to remain mortal.

Calista becomes the Goddess of beauty and she signifies purity.

Calista,

The Perfect Beauty... The Goddess of Beauty...

## Location

Calista Luxury Resort; Located in the midst of a pine tree forest and occupying a mass land of 120.000 m<sup>2</sup> in Belek, Antalya, the pearl of the Mediterranean coast and simply the life and soul of tourism where the nature and the sea become one, Calista Luxury Resort exceeds expectations with its unique architectural design and its 4 international certificates of quality (ISO 9001:2000 Quality, ISO 140001 Environment, OHSAS 18001 Occupational Health and Safety, ISO 22000 Food Safety).

Comprising its own Food Analysis Laboratory and always supporting the idea of a cleaner and a better world, Calista is also the one and the only hotel having been presented with the "Green Star" award, the first and the most important award ever to be given for environmental care.

# Callos SPA

Placed on an impressive 3500m<sup>2</sup> of land and with its two storey building, Callos Spa center offers a number of health and care services including Turkish bath, sauna steam bath, Jacuzzi, massage, beauty centers and hair dressers.

## Thai Massage

Passed on to the next generation for centuries, this wonderful legacy of the oriental culture is not only renowned as the best massage technique all over the world, but is also recommended by the doctors for a better health. Including the types of massage such as the Aroma Therapy, Manuel Therapy and Foot Massage, it is the type of massage with which you will feel the touch of the Far East at its best especially with its extremely relaxing physical and metabolic effects aftermath.

## Bali Massage

Applied by the petite, sympathetic, friendly and gentle masseuses who simply are an integrated part of the Indonesian culture and whose overwhelming success with regards to massage is renowned world-wide, this is the type of massage that leaves you with a relaxation and vitality second to none. With massage oils varying from grape, jasmine, pineapple, coconut, pine, lavender and other plant saps and essences of your personal choice, you will feel not only relaxed but also revitalized both physically and psychologically.

## Wakanabi Massage

Applied by the African masseuses, this is the type of massage that stands out with its intensely moisturized and aromatized style. After an anti-stress massage by covering the whole body with cocoa oil, it is carried out with the application of warm chocolate on the entire body. The chocolate is known to have an anti-aging effect with the Ginseng and Vitamin E it contains and it also moisturizes the body as well as renovating it. The scent of the chocolate reduces stress level as it also refreshes one both in body and mind.

## Classic Massage

Our all so professional and licensed physiotherapists with considerable experience in the field are at the ready to fulfill all sorts of health and care services including relaxation, aroma therapy, sports, medical care and back and foot massages all in accordance with your personal preferences.

## Turkish Bath (Hammam)

All the way from the Ottoman Empire to this very day, this thousand year old Turkish tradition welcomes you for an invigorating and detoxifying journey with soap massages and cleansing back rubs on a heated marble slab. Once through the Turkish Bath, the skin pores cleanse, the dead skin are removed, the bacteria are cleaned and this whole process literally allows the body to breathe. Turning the negative energy in the body into positive, this experience allows your skin to gain a new radiance, vitality and a healthy look; prepares it for SPA care and reduces the possibility of an allergy against sunlight.

## Hairdresser

We are waiting for you in our salon with our highly experienced staff, offering all types of haircuts, hair care, perms, highlighting, manicure, pedicure, and more.

## Skin Care

It is an over all care process for the skin, applied by professional beauticians using the latest products and tools. After a nice and a relaxing session of facial and a follow up skin care, feeling much better, more positive and way better looking is just inevitable.

## Steam Bath

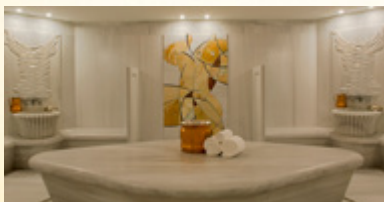

A steam bath is just what the body needs for a deeper and a better skin cleansing. As the tense muscles and skin give way to a more relaxed state and loosen, the skin pores cleanse and the worked up muscles and joints power themselves up. Steam bath is an overall relaxation and a means for liveliness for the body and mind.

## Fitness Center

You will feel much more relaxed and revitalized by working out and keeping fit under the supervision of professional trainers. Our Fitness Center provides you with the latest equipment in a healthy and hygiene environment.

## Spa VIP Chamber

At our exclusive VIP chamber, we provide special Jacuzzi, sauna, shower and massage services for our guests along with their personal preferences of drinks and fruit cocktails at pre-specified times.
